About 6 months ago or so Sigma was fined for not following protocol so since then they have cracked down on Distributors. They required a trail of paperwork for approval and a Distributors License it is a long process to get approvals for the drugs, I have choose not to go through the difficult task of there rules and regulations. I still can get some drugs from Cerillant and Alltech.

Hi Jeannie,

In the past you have place the order with other suppliers and we forward our DEA Forms 222 and 223 to the supplier. Or does Sigma-Aldrich not want to deal with 2nd party purchases.
